Friday - 25 July 1975

CONFIDENTIAL

1. [] Charles Snodgrass, House Appropriations Subcommittee on Defense staff, called for an assessment of the [] announcement concerning closing of U. S. bases. He was not too pleased that all I had at the moment was the UP and Reuter ticker, but eventually, based on the guidance from [] I provided a few words of interpretation and later dropped off to him the [] take.

2. [] In response to his earlier call, provided to Herb Roback, House Armed Services Committee staff, the original draft language and the provision as finally adopted by the Security Council in 1968 concerning ~~Zambia~~ in the Rhodesian resolution, S. Con. Res. 25. 29 May 1968, as taken from the U. N. Yearbook, 1968, page 152. Roback had earlier explained that he had a request pending with State but they were late in replying and he needed the information on an urgent basis for a Committee report he was preparing.

3. [] Wilma Lehman, Civil Service Commission, called to advise that the Daniels amendment to the Federal Employee Right to Counsel bill, H.R. 6227, exempting CIA, FBI, and others was not adopted. In response to my query, she said she believes the CSC is sufficiently concerned about the bill that if passed they would recommend a veto.

4. [] Received a call from Nancy Ginn, in the office of Representative James J. Blanchard (D., Mich.), asking if we had any further information on the status of the Freedom of Information request of [] I told Ms. Ginn I had nothing more than what I had already given her last night but had been assured this morning that a final response should be sent to [] by the first part of next week.
